

---

**Summary:**

This activity is to be used as an introduction and review for all other kit activities.

# Quick Questionnaire

## Activity 1

**Materials:** One double-sided photocopy of the questionnaire for each student

**Location:** Indoors

**Time Required:** 15 minutes

**Activity**

1. Provide each student with the following questionnaire. Later, after the teacher has taught some of the concepts and the class has done the activities, the second side of the questionnaire can be used as a review exercise. The quiz can be used to gauge what was learned by the students.
2. Answers to this questionnaire are provided for teacher reference.
