For Compilers

You are invited to send the consolidated sector and feeder reports for your count to Donald MacPhail at dm@gcca.ca so that it can be included in the annual summary of New Brunswick's CBCs that have been continuously published by the New Brunswick Museum and then Nature NB since 1956.

You are also encouraged to submit your data to the international Christmas Bird Count database at Audubon which has freely available CBC data dating back to 1900.
